

# Jacksonville Soccer Club

The Newly formed Jacksonville Soccer Club has had 2 very successful evaluations to form more competitive soccer teams in Jacksonville. There were 62 girls show up for evaluations, with an interest to be on a traveling team. There were 39 boys that participated in evaluations on June 30, that had an interest to be on a traveling team. It is very exciting to see this kind of interest in soccer. This is why the Jacksonville Soccer Club has been formed. The Club is seeking contributions for startup cost, such as:

- 1) Registration to become an LLC
- 2) 501C3 status (Not for profit)
- 3) Insurance cost.

We appreciate any contributions possible and you will be added to the list of contributors on the Jacksonville Soccer Club Web site, [www. Jacksonville-soccerclub.com](http://www.Jacksonville-soccerclub.com).

If you have any questions about the club, please call JJ Richardson at 243-1657 or email [jjrichardson@cckautomations.com](mailto:jjrichardson@cckautomations.com).

Sincerely,

J.J. Richardson, President
